SUPPLEMENTARY LIST

Nut Tree Price List

Fall 1928 - Spring 1929

I am not printing a new catalogue this year, as I feel Mr. Jones' last catalogue covers the information on nut trees and their culture generally desired by those interested in nut bearing trees. I am, however, listing below the varieties of trees available from the nursery this year and will urge that you use this list when sending in your orders for nut trees.

Mr. J. F. Jones, the Owner of this nursery, died January 11, 1928. He had been in the nursery business since 1890 and always paid personal attention to the propogation of his trees. The business is now being carried on by his Executrix, pending the settlement of the Estate. All orders will be taken care of promptly and will receive personal attention.
